

Wanstead needs you!

The Wanstead Society is a group of volunteers dedicated to protecting and enhancing one of the most picturesque parts of London. We champion the conservation of our area’s heritage, and work to promote Wanstead and neighbouring Snaresbrook wherever possible.

The Wanstead Society is a non-political organisation seeking to help our area by building constructive working relationships with those in power.

Our main aims are to:

- Work with the Council and planners to protect and enhance the character of Wanstead
- Encourage, support and promote the viability of the High Street and the local community
- Take part in the Wanstead Festival and care for the Corner House Garden
- Liaise with and lobby Councillors, GLA Members and MPs
- Support local businesses
- Represent our views on the Conservation Advisory Panel

Whilst we have no statutory power, we have a voice. And the more members we have, the louder that voice will be. That’s why we need you to join us.
